I waited a bit to get 2+3, it wasn't available at the time of purchase of my car, the 7 year warranty news broke out and then they told me I can purchase 2+3 now, and add 1 year add-on warranty twice, taking it to a total of 7 years. The add-on warranty however is offered as a tie up with insurance companies and is not as trouble free as standard or extended warranty. And they might not ...

The 1.5 TSI 150PS variant manages up to 42.8mpg and 150g/km. The 1.5 TSI 150PS petrol unit uses the VW Group's 'ACT' (or 'Active Cylinder Technology') system that shuts down the second and third cylinders when the load and engine speed are low. The top-of-the-range 2.0 TSI petrol engine can't match that kind of cleverness, but it does feature a clever combustion process for high efficiency ...

APR's ECU Upgrades are the best dollar-per-horsepower modification one can make to the 2.0T engine. The upgrades dramatically increase horsepower and torque, making for an exceptionally quicker and more exciting vehicle. This is made possible through APR's optimization of the factory engine management system to take full advantage of the engine's capabilities, without needing any end ...
